HIGH-SPEED DOCUMENT SCANNERS
Canon U.S.A., Inc., headquartered in New York, delivers commercial imaging solutions. Canon’s complete line of document, network, and check scanners, enable businesses to improve costs, efficiencies, management, security, and compliance related to capturing, storing, and sharing information.

Canon imageFORMULA scanners satisfy a wide variety of document imaging needs and budgets with a full-range of scanning solutions. They offer the kind of high-performance features that make converting paper to electronic documents easier, such as high-speeds, advanced image processing, and flexible configuration options.

The complete Canon scanner line offers high image quality, leveraging years of experience in developing high-precision optics technologies. It also offers flexible and reliable scanning of mixed batches of documents. And finally, it delivers outstanding value.

Canon scanners are based on a tradition of excellence, with solutions designed to improve workflows and cater to user and corporate requirements. Canon scanners are efficient and affordable imaging solutions, satisfying a wide variety of content management needs. With strong alliance and compatibility partnerships, strong industry associations, and strong channels of delivery and fulfillment, Canon can help any business make the transition into the paperless office.
The Canon imageFORMULA ScanFront Series of networked document scanners is ideal for decentralized or distributed scanning applications, and for easily sharing documents via a network. They are easy-to-use and manage, secure, and plug right into an office network to deliver direct network scanning and sending.
FULL-FEATURED, EASY-TO-USE NETWORK DEVICES
The ScanFront 300/300P were designed to simplify the distribution of business information across a network to specified destinations while improving the security of data being shared, maintaining information quality, and lowering overall workplace costs.

- Network ready, stand-alone scanners
- Scan to E-mail, network folders, FTP, USB drive, fax, printer
- Slant paper path capable of handling a wide variety of document sizes, including hard cards
- Customizable Scan-To-Job buttons
- Powerful device administration
- Scan up to 30 pages per minute
- 8.4” SVGA liquid crystal display

The imageFORMULA® ScanFront 300/300P CAC/PIV network scanners are secure, full-featured, and compact devices for easily capturing, converting, and distributing documents. These scanners are designed to improve the security of information being shared across federal networks, while maintaining information quality, increasing manageability, and lowering costs.

- Secure Document Scanning (User authentication via CAC/PIV-compliant cards, PKI uses Kerberos)
- Digital signatures (Digitally sign emails, no repudiation)
- Data encryption (Send secure emails)
- Automatic log-off upon removal of CAC/PIV card
- Kensington lock slot
- No hard drive (No locally stored information)

Item Code: ScanFront 300 CAC/PIV, 4574B007
Item Code: ScanFront 300P CAC/PIV, 4575B007
MSRP: $2,395, SF300 CAC/PIV / $2,695, SF300P CAC/PIV

### Scanning:
- **Speed:** Up to 30 ppm / 60 ipm*
- **Scanning Modes:** Color, Grayscale, Black & White
- **Optical Resolution:** 600 dpi
- **Feeder Capacity:** 50 sheets
- **Document Size:** Width: 2” – 8.5” Length: 2.1” – 14”
- **Suggested Volume:** Approx. 2,000 Scans

### Network:
- **Sending Functions:** Scan-To-Network Folder, FTP, Scan-To-E-mail, USB Drive, Fax, Printer
- **Protocols:** TCP/IP, SMTP, DHCP, SMB, LDAP, NTP

### General:
- **Dimensions:** H 6.3” x W 12.2” x D 8.7”
- **Weight:** 7.9 lbs.
- **Interface:** LAN 10 Base-T/100 Base-TX, USB 2.0x4
- **Power Consumption:** 30W or less
- **Standard Warranty - One Year**

### Features:
- Ultrasonic Double-Feed Detection (300P Only)
- Includes all image processing and information distribution features from ScanFront 300/300P
- Supported card readers - SCR331/3310/3311 (SCM or Identive Infrastructure)
- Supported CAC/PIV cards - Oberthur ID One V5.2a Dual

### Options & Consumables:
- CAC/PIV-compliant card reader (sold separately)
- Exchange Roller Kit
- eCarePAK (Exchange Service)

---

* Examples based on typical settings, rated in pages/images per minute with letter-sized documents, portrait-feeding direction, up to 200 dpi.
**SECURE FULL-FEATURED, COMPACT NETWORK DEVICES**

Network scanners, powered by eCopy ShareScan, deliver state-of-the-art image capture and intuitive document sharing through seamless integration with existing networks, workflows, and applications.

- Letter-sized color duplex scanning
- Large 8.5-inch color touch screen
- Direct integration into Microsoft and Novell networks
- Network address books and databases such as Microsoft Access, Microsoft SQL and Oracle
- Scan-to-Email, FTP, Printer, Fax and much more

**SPECIFICATIONS**

**Scanning:**
- Speed: Up to 27 ppm / 47 ipm*
- Scanning Modes: Color, Grayscale, Black & White
- Optical Resolution: 600 dpi
- Feeder Capacity: 50 sheets
- Document Size: Width: 2” – 8.5” Length: 2.1” – 14”
- Suggested Volume: 3000 scans / day

**Network:**
- Sending Functions: Scan-To-E-mail, Fax, Folder, FTP, Printer WebDAV, Database
- Protocols: TCP/IP, SMTP, DHCP, SMB, LDAP

### SPECIFICATIONS

**DR-6010C**

**HIGH SPEED DEPARTMENTAL SCANNING**
Reliable, high-speed, high-quality scanning with top-of-the-line processing features and industry leading value.

- Reliable desktop color duplex scanner
- Same fast scanning speed in color, grayscale, and B&W
- Fast, high-quality scanning
- Flexible document handling for items such as ID cards and documents up to 118”
- Scan-To-Job Function
- Folio Mode for 11” x 17” scanning

**Item Code:** 3801B002  
**MSRP:** $3,495

### Scanning:
- **Speed:** Up to 60 ppm / 120 ipm*
- **Scanning Modes:** Color, Grayscale, Black & White
- **Optical Resolution:** 600 dpi
- **Feeder Capacity:** 100 sheets
- **Document Size:** Width: 2.1” - 8.6” Length: 2.8” - 14”
- **Long Doc Mode:** Up to 118”
- **Suggested Volume:** 7,500 scans / day

### General:
- **Dimensions:** H 7.3” x W 12.5” x D 10.9”
- **Weight:** 14.3 lbs.
- **Power Consumption:** 33W or Less
- **Interface:** Hi-Speed USB 2.0 / SCSI-III
- **Drivers:** ISIS/TWAIN

**Standard Warranty - One Year**

### Features:
- Advanced Text Enhancement
- Auto Color Detection
- Auto Page Size Detection
- Custom Color Dropout / Enhance Color
- Deskew
- Skip Blank Page

### Bundled Software:
- Canon CapturePerfect
- Kofax VirtualReScan

### Options & Consumables:
- Exchange Roller Kit
- Barcode Module III
- eCarePAK (Exchange Service)
- Flatbed Scanner Unit 101

*Examples based on typical settings, rated in pages/images per minute with letter-sized documents at 200 dpi. Actual processing speeds may vary based on PC performance and application software.*
FAST, ACCURATE SCANS FOR IMMEDIATE PRODUCTIVITY

A reliable scanner with comprehensive functionality in a desktop design that effectively delivers document capture benefits in any business application.

- Reliable desktop color duplex scanner
- Same fast scanning speed in color, grayscale, and B&W
- Flexible document handling for items such as ID cards and documents up to 118”
- Scan-To-Job function
- Extra-wide image sensor ensures that even skewed documents are scanned in full
- Energy-conscious power consumption

Item Code: 4624B002
MSRP: $4,495

### Scanning:

- **Speed:** Up to 80 ppm / 160 ipm*
- **Scanning Modes:** Color, Grayscale, Black & White
- **Optical Resolution:** 600 dpi
- **Feeder Capacity:** 100 sheets
- **Document Size:** Width: 2.1” - 11.8” Length: 2.8” - 17”
- **Long Doc Mode:** Up to 118”
- **Suggested Volume:** 10,000 scans / day

### General:

- **Dimensions:** H 7.5” x W 15.6” x D 12.3”
- **Weight:** 23 lbs.
- **Power Consumption:** 46.5W or Less
- **Interface:** Hi-Speed USB 2.0 / SCSI-III
- **Drivers:** ISIS/TWAIN
- **Standard Warranty:** - 90 days

### Features:

- Advanced Text Enhancement
- Auto Color Detection
- Auto Page Size Detection
- Custom Color Dropout / Enhance Color
- Deskew
- Skip Blank Page
- Ultrasonic Double-Feed Detection

### Bundled Software:

- Canon CapturePerfect
- Kofax VirtualReScan

### Options & Consumables:

- Exchange Roller Kit
- Barcode Module
- eCarePAK (Exchange Service)
- Flatbed Scanner Unit 101
- Flatbed Scanner Unit 201

*Examples based on typical settings, rated in pages/images per minute with letter-sized documents at 200 dpi. Actual processing speeds may vary based on PC performance and application software.
Production Document Scanners

Canon’s line of imageFORMULA production document scanners is ideal for vigorous scanning tasks. Designed to maximize productivity in high-volume, centralized, data capture environments, Canon’s production scanners maintain the integrity of documents at rapid speeds for mission-critical document conversion and content management. Combining leading value with increased scanning reliability and efficiencies, Canon’s production scanners efficiently transform masses of hard-copy documents into identifiable electronic information required in today’s marketplace.
DR-7550C

HIGH-SPEED, HIGH-QUALITY SCANNING FOR ULTIMATE PRODUCTION EFFICIENCY

True high-speed scanning that provides enterprises with reliable, high image quality and flexible scanning solutions.

- Fast production color duplex scanner
- Same fast scanning speeds in color, grayscale and B&W
- User adjustable feed tray capacity
- Long Document Mode for documents up to 118” long
- Staple Detection
- Programmable Scan-To-Job buttons accessible through an intuitive control panel

Item Code: 3623B002
MSRP: $6,775

SPECIFICATIONS

Scanning:
- Speed: Up to 90 ppm / 180 ipm*
- Scanning Modes: Color, Grayscale, Black & White
- Optical Resolution: 600 dpi
- Feeder Capacity: 500 sheets
- Document Size: Width: 12.2” x W 18.9” x D 20.9”
- Long Doc Mode: Up to 118”
- Suggested Volume: 22,500 scans / day

General:
- Dimensions: H 12.2” x W 18.9” x D 20.9”
- Weight: 50 lbs.
- Power Consumption: 83W or Less
- Interface: Hi-Speed USB 2.0 / SCSI-III
- Drivers: ISIS/TWAIN
- Standard Warranty - 90 days

Features:
- Advanced Text Enhancement
- Auto Color Detection
- Auto Page Size Detection
- Count Only Mode
- Skip Blank Page
- Staple Detection
- Ultrasonic Double-Feed Detection

Bundled Software:
- Canon CapturePerfect
- Kofax VirtualReScan

Options & Consumables:
- Exchange Roller Kit
- Barcode Module III
- Imprinter Unit
- Patchcode Decoder
- eCarePAK (On-Site Service)
- Flatbed Scanner Unit 101
- Flatbed Scanner Unit 201

*Examples based on typical settings, rated in pages/images per minute with letter-sized documents at 300 dpi, in landscape orientation. Actual processing speeds may vary based on PC performance and application software.

TAKING PRODUCTION SCANNING TO A NEW LEVEL
State-of-the-art performance and flexibility for reliable, high-volume scanning for service bureaus and other locations where speed, consistency, accuracy, and cost-efficiency are paramount.

• Fast production color duplex scanner
• Same fast scanning speeds in color, grayscale and B&W
• Industry’s first Three-Step Dust Prevention System results in clearer images and minimized maintenance
• Programmable Scan-To-Job buttons, intuitive control panel, and ergonomic design for simple operation

Item Code: 2417B002
MSRP: $17,995

SPECIFICATIONS

Scanning:
Speed: Up to 130 ppm / 260 ipm*
Scanning Modes: Color, Grayscale, Black & White
Optical Resolution: 600 dpi
Feeder Capacity: 500 sheets
Document Size: Width: 2” – 12” Length: 2.8” – 17”
Long Doc Mode: Up to 118”
Suggested Volume: 60,000 scans / day

General:
Dimensions: H 14.8” x W 20.8” x D 22.2”
Weight: 86 lbs.
Power Consumption: 125W or Less
Interface: Hi-Speed USB 2.0 / SCSI-III

Standard Warranty - 90 days

Features:
• Advanced Text Enhancement
• Auto Color Detection
• Auto Page Size Detection
• Auto Re-try Feeding
• Count Only Mode
• Custom Color Dropout / Enhance Color
• Dust Countermeasures
• Staple Detection

Bundled Software:
• Canon CapturePerfect
• Nocson EasyConnect

Options & Consumables:
• Exchange Roller Kit
• Barcode Module
• Pre-/ Post-Imprinter
• Patchcode Decoder
• Kofax CGA Board
• eCarePAK (On-Site Service)
• Flatbed Scanner Unit 201

*Examples based on typical settings, rated in pages/images per minute with letter-sized documents at 300 dpi. Actual processing speeds may vary based on PC performance and application software.
Flatbed Scanner Option*
The Flatbed Scanner Options are devices designed to complement Canon’s high speed document scanners and widen the variety and types of documents that can be scanned to include bound, thick, and fragile documents.

- Simple USB connectivity
- Flexible operation
- Adaptable hardware allows for “Open Scanning” of books and bound documents
- Scans up to legal size (Flatbed 101) or ledger size (Flatbed 201)

Other Options & Accessories
Depending upon the scanner model, various other options and accessories may be available, such as rollers, carrying cases, and AC adapters. Please check www.usa.canon.com/scanners for the latest list of additional options and accessories.

Flatbed Scanner 101
Item Code - 4101B002
MSRP - $495

Flatbed Scanner 201
Item Code - 6240B002
MSRP - $1095

*Compatible with many DR-Series scanners
**BUNDLED SOFTWARE**

**ISIS / TWAIN Driver**
ISIS and TWAIN are industry standard drivers for optimal performance and easy integration of software applications with Canon document scanner hardware.

**Kofax VirtualReScan (VRS)**
Kofax VirtualReScan (or VRS) improves scanning productivity by reducing the time involved in manual document preparation and automatically enhancing the quality of scanned images.

**NewSoft Presto! BizCard**
NewSoft Presto! BizCard quickly and easily converts the vital contact information on business cards into a convenient, searchable, digital database that can be easily synchronized between PCs, notebooks, PDAs and PIMs.

**Nuance PaperPort Standard**
PaperPort document management software is a fast and easy way for users to scan, organize, find, and share documents and photos. It combines the power of document scanning, the efficiency of digital desktop organization, and the convenience of high-quality PDF document creation/assembly in one easy-to-use application.

**Software Plug-ins**
Plug-ins are included with CaptureOnTouch for software and cloud applications such as Microsoft SharePoint, Google Docs, and Evernote.

---

Scanner bundled software is not limited to those listed. Scanner bundled software packages vary depending on the scanner model.
Please check www.usa.canon.com/scanners for the latest list of bundled software.
Canon Software – CapturePerfect

Comprehensive Document Imaging Software to Maximize Canon Scanner Performance

Canon's CapturePerfect software delivers image processing features needed to obtain the highest image quality in even the most rigorous scanning environments. It is designed to help maximize Canon scanner performance, increase productivity and streamline document imaging workflows.

CapturePerfect helps Canon scanners deliver images of the highest quality, true to their original form, while providing convenient ways to edit, arrange, and manage files with a drag-and-drop interface. Precise images can be captured from even the most difficult original documents for immediate distribution to file folders, presentations, printers, and e-mail.

CapturePerfect software can help increase the productivity and workflow of a company's Enterprise Content Management (ECM) process.

Canon Software – CaptureOnTouch

Increase User Productivity by Simplifying the Document Scanning Process

Canon's CaptureOnTouch software tool can help increase user productivity by simplifying the document scanning process. The intuitive interface enables users to quickly and efficiently scan documents and automatically distribute them to various destinations including cloud applications.

Developed for quick and easy scanning, CaptureOnTouch leads users through the complete scanning process step-by-step. Even if familiar with document scanning and electronic data storage, businesses can profit from reduced user errors and save valuable time through faster processing and improved control of file distribution.

The CaptureOnTouch software tool can help provide extra value by simplifying how scanning tasks are handled by companies that are striving to improve their document imaging processes.
Canon’s imageFORMULA scanners are an integral element of Enterprise Content Management solutions. As front-end capture hardware components, the scanners’ reliability, performance, and feature-rich functionality are critical for ensuring the accuracy and overall effectiveness of any document management workflow.

Recognizing this, many of the industry’s leading software companies have tested Canon’s Scanners for compatibility with their products. With this compatibility, customers are ensured the reliability and benefits of a complete document management solution. Moreover, they have the flexibility of selecting a hardware product that will operate effectively with the software applications they are currently using, even cloud applications.

With an extensive portfolio of scanners designed to target various business applications, customers are assured the best hardware product to suit their needs. From distributed imaging and desktop scanning workflows to centralized batch processing of high-production workflows, Canon’s scanners are equipped to perform.

**INVESTMENT PROTECTION**

**Service and Support**

Canon imageFORMULA scanners are designed to provide customers with a rewarding ownership experience. These products are supported nationwide through a network of factory-trained and authorized Canon service providers. These providers attend Canon training classes on the latest products, service methods, and tools. They also have the latest information about the products they service, including technical documentation, and access to a service Website, and technical support hotline.

**Canon eCarePAK**

eCarePAK optional service plans extend service and support beyond the initial warranty period. eCarePAK coverage can save costs associated with post-purchase maintenance, maximize uptime throughout the life of the product, and make end-users feel confident in their Canon scanning investment for years to come.
