

CANON VIRGINIA INC.

Declaration of Commitment

CANON VIRGINIA INC companies, commit to meeting EPEAT criteria 4.9.3.2 (recycle more than 75% of waste toner, thermal energy recovery: 25% or less, and landfill: 0%) in accordance with the requirements of the content, from January 2016, for all consumables to be recovered through our OEM recovery program. As for the performance metric, CANON VIRGINIA INC. will issue an annual document reporting waste toner recycling and thermal energy recovery results. This document will be made publicly available on a CANON U.S.A. website.
