Item Description	Kit Includes
Tagline: You're the Star	VIXIA mini(BK)
• An innovative and compact personal camcorder providing the excitement of sharing your hobbies/interests with ease; perfect for bloggers.	CB-2LV Battery Charger
• Canon f/2.8 fisheye lens (160° movies/170° photos) offers a unique and creative perspective so you can show off your talents or capture moments in a whole new way.	NB-4L(E) Battery Pack
• Shoot in Wide mode to capture an ultra-wide view of the entire scene or Close-up mode to crop-in and emphasize your subject, and quickly toggle from one to the other with the touch of the LCD screen.	Interface Cable IFC-400PCU
• The 12.8 Megapixel High-Sensitivity CMOS image sensor combines with the Canon DIGIC DV 4 Image Processor to create the Canon HS SYSTEM, allowing you to capture stunning Full HD video in MP4 format and 12.0 Megapixel photos with exceptional image quality, all to a removable microSD memory card (SDHC/SDXC compatible).	WS-DC11 Wrist Strap
• A high-quality built-in stereo microphone helps bring life to your videos by capturing superb audio, while Audio Scene Select provides multiple options to help enhance the sound for a particular setting even further.	VIXIA Disc
• Built-in Wi-Fi® lets you share your video and photos to social networking sites like YouTube™ or Facebook® or send to a PC. You can also upload virtually anywhere using your iOS® device with the free Canon Movie Uploader app*.	Getting Started for VIXIA mini
• Live Streaming allows you to view and record live video on your Android™ or iOS® device; you can also control your camcorder from a remote location using your smartphone or tablet with the free Canon CameraAccess2 app†.	
• Innovatively designed 2.7-inch capacitive, tilt, touch panel LCD lets you quickly switch between still image and video mode and offers fast, easy, intuitive control right at your fingertips.	
• A built-in, adjustable stand and tripod socket allow flexible positioning so it's easy to shoot any scene hands-free, including scenes where you're the star.	
• Mirror Image Recording/Playback lets you view the scene in real time so you can watch as you record, perfect for reviewing that intricate dance routine or practicing your golf swing.	
• Record in slow motion or fast motion for a creative effect; Interval Recording lets you see slow-changing movements over time.	
• Smart AUTO helps make shooting great videos simple by intelligently selecting the best settings from 23 predefined situations.	
• New Special Scene Modes including Food & Fashion, Sports and Macro give you advanced presets to help you capture impressive images even under difficult shooting conditions.	
• Automatic lens cover helps protect the lens against scratches and dust.
