CREATE.

ACCURATE AUTOFOCUS

When creativity strikes, do you dare to dream and grab hold of that spark? For all creators with great visions in mind, the Video Creator Kit can help you make them a reality with precise Canon features such as lightning fast, steady autofocus during video recording. Dual Pixel CMOS AF in the EOS 80D and EOS 70D cameras lets you smoothly switch focus by touch during recording, giving a movie-like feel to your videos.

INSPIRE.

SOUND QUALITY

For crisp, clear audio, the Video Creator Kit features a built-in mic port and hot shoe that provides easy connection with the bundled lightweight and sturdy RODE® VideoMic GO™ microphone. Simply hook it up and let the sound inspire.

DISCOVER.

SCENIC WIDE-ANGLE

Show off your style with optional wide-angle lenses that can capture the big picture. Excellent for large groups and scenes, they put more in the frame so you don't have to worry about leaving anyone or anything out. Give the audience your all with more details to discover.
