THE BENEFITS ARE CLEAR

- Save time creating and grading tests
- Create tests on plain paper on demand
- Analyze results and identify learning gaps
- Leverage Canon imageRUNNER ADVANCE devices for grading instead of using dedicated servers and scanners
- Use cloud-based software that requires minimal IT oversight to maintain

ADDED PRO BENEFITS

- Web-based Administrator Portal
- Ability to incorporate math questions on answer sheet
- Can review and edit test data
- Can export grade data into popular learning management systems
- Align tests with learning objectives
