- ¹ ISO/IEC 24734, 24735 define the default print and copy speed measurement methods. Print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734, excluding time to print the first set. Copy speed is the average of FCOT, ISO/IEC 24735 Annex D. ADF copy speed is the average of ESAT in General Performance Test for the default simplex mode, ISO/IEC 24735, excluding time to copy the first set. Once the ink levels on the printer reach low ink status, the print speed will be reduced. See www.usa.canon.com/ipm for additional details.
- ² Requires an Internet connection and the PIXMA/MAXIFY Printing Solutions app, available for free on the App Store and at Google Play. Compatible with iPad, iPhone 3GS or later, and iPod touch 3rd generation or later devices running iOS 5.1 or later, and Android mobile devices running Android 2.3 or later. User must register printer with PPS and be a registered member of the compatible online Cloud service(s) user chooses to access through PPS and is subject to the terms and conditions of those services. Certain functions (scanning and printing locally stored photos/documents) require your device to be connected to the same working network with wireless 802.11 b/g/n capability as your printer. For users of compatible Apple mobile devices, document printing requires Apple AirPrint, which requires an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
- ³ Duty Cycle is defined as the maximum number of printed pages for a single peak month.
- ⁴ Wireless printing requires a working network with wireless 802.11b/g or n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network links.
- ⁵ AirPrint functionality requires an iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 4.2 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
- ⁶ Requires an Internet connection and Google account. Subject to Google Terms of Service. Certain exceptions may apply.
- ⁷ Requires Canon Easy-PhotoPrint for iPhone app, available for free on the App Store, Canon Easy-PhotoPrint for Android app available for free on Google Play, or Canon Easy-PhotoPrint for Windows RT, available for free in the Windows Store. Compatible with iPhone® 3G or later, iPad®, iPad mini™, iPad Air™, iPod touch®, Android devices running Android OS 1.6 or later, and Windows RT devices.

YOURS TO MAKE

MAXIMIZE YOUR SOLUTIONS

DEDICATED PRINTING SOLUTIONS FOR YOUR BUSINESS

As a lawyer, CPA, or financial advisor, you’ve worked long and hard to establish your business. That’s why, when it comes to growing your clientele, you need business tools you can count on.

They say, “when you do what you love, you never work a day in your life.” This is true except when you’re the one paying the bills or ordering supplies. Or if you’re trying to grow and manage a staff while also trying to cut costs. These are the realities you face as a small business owner. Decisions like these aren’t for everyone—and you wouldn’t have it any other way.

The Canon MAXIFY line of printers can help by giving you the power to build up your business. With Canon MAXIFY, you’ll be able to work faster and smarter—and more cost effectively.

Canon MAXIFY printers deliver big results to smaller professional services businesses like yours. You’ll see crisp, clean prints from everything from client invoices to legal size documents. Best of all, every MAXIFY printer is backed by 100% U.S.-based, Canon-trained customer service & support.

QUALITY ASSURED

Each Canon MAXIFY printer is built on a proud tradition of quality, reliability, and technological innovation you can count on.

*YOURS
TO MAKE*

You put your all into building and growing your business, and Canon MAXIFY products and services are right there with you, every step of the way. Because we know the future is yours to make.

LOW COST PER PRINT

Print all the documents you need—from contracts and tax forms to spreadsheets and invoices—and still keep expenses down. Canon MAXIFY saves you money - with high-quality, low cost prints.

FAST & EFFICIENT

Your documents are in your hands the minute you need them, thanks to a fast first printout time with speeds up to 23 ipm / 15 ipm¹ and quick multi-page copying. Featuring up to a 500-sheet paper capacity, Canon MAXIFY printers are built to handle high-volume print jobs of your busy professional service office.

LINK TO THE CLOUD

Thanks to Canon MAXIFY Printing Solutions technology, you can get the job done whether you're at the courthouse or in a conference. Keep work flowing by sharing and printing information directly from your tablet or smartphone via popular Cloud services like Flickr®, Facebook®, Twitter®, Google®, Dropbox® and more.²

CLOSE TO HOME

Think of us as your back office support team. Whether you're arguing a case in court, meeting off-site with clients or working back in your office, Our 100% U.S.-based customer service & support team is ready with the answers you need, when you need them. Put our team to work for you to make sure you succeed!

YOUR VISION

An innovative ink formula produces crisp text, sharp contrast, and vivid colors that incorporates a high density black ink that is highlighter and friction resistant.

YOUR SKILL

With built-in 2-Sided Single Pass Scanning, the Canon MAXIFY MB5320 printer is engineered to work as efficiently as you do.

YOUR FUTURE

Canon MAXIFY printers have the latest technology—so your business can stay ahead of the curve.
