Outstanding Printer for Small Workgroups

The Canon imageCLASS LBP312dn, chosen by BLI analysts as the winner of a Summer 2017 Pick for “Outstanding Printer for Small Workgroups,” offers...

- Minimal downtime thanks to intuitive control panel menu system and well-designed drivers, along with straightforward routine maintenance procedures.
- High standard memory aids in job processing.
- High-quality, professional-looking output ideal for general office environments.
- Flexible mobile options for convenient on-the-go printing.

“The Canon imageCLASS LBP312dn is a compact and reliable choice for small workgroups,” said Marlene Orr, Director of Printer/MFP Analysis for Keypoint Intelligence - Buyers Lab. “Workers can expect peak efficiency from the device thanks to its easy-to-navigate control panel and easy routine maintenance procedures, and programming jobs is just as simple thanks to the device’s well-designed print drivers. Flexible mobile printing via the Canon PRINT Business app, support for iCloud, Apple AirPrint and Google Cloud Print means workers can print from nearly anywhere.”

“The Canon imageCLASS LBP312dn can be counted on for high-quality, professional-looking output.” said Tony Maceri, Senior Test Technician for Keypoint Intelligence - Buyers Lab. “And because reliability performance was perfect, speeds were faster than average, and the device is so easy to set up and use, workgroups can be more productive with the imageCLASS LBP312dn.”

About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
