

Canon Color imageCLASS MF730 Series

Outstanding Color Multifunction Printer for Small Workgroups

The Canon Color imageCLASS MF730 Series, chosen by BLI analysts as winner of the Winter 2018 Pick for Outstanding Color Multifunction Printer for Small Workgroups, offers...

- Impressive user-friendliness, offering an intuitive touchscreen interface, well-designed print driver, and simple routine maintenance procedures, all of which help keep downtime to a minimum
- High-quality output that is sure to more than meet the needs of general office environments
- Flexible mobile options that make printing on the go easy and convenient

“The competitively-priced Canon Color imageCLASS MF730 Series models offer impressive ease of use, versatility, and strong value for small workgroups in need of a desktop color MFP,” said Marlene Orr, Director of Printer & MFP Analysis for Keypoint Intelligence - Buyers Lab. “The imageCLASS MF731Cdw, MF733Cdw, and MF735Cdw all include an intuitive touchscreen panel with Canon’s Application Library to offer simple one-touch workflows, and using the included software at the PC is just as easy. Standard NFC connectivity and support for a wide variety of mobile options, including the Canon PRINT Business app, Apple AirPrint, and Google Cloud Print, let users easily connect and print from virtually anywhere.”

“Small workgroups can count on the Canon Color imageCLASS MF730 Series to keep them productive, thanks to its perfect reliability performance and simple routine maintenance procedures,” said Tony Maceri, Senior Test Technician for Keypoint Intelligence - Buyers Lab. “In our testing, the MF735Cdw produced high-quality output, especially in print mode. Crisp, professional-looking black print output and vibrant color prints mean you can count on devices in the imageCLASS MF730 Series to go above and beyond the needs of your small workgroup environment.”

About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. Buyers Lab evolves in tandem with the ever-changing landscape of document imaging solutions, constantly updating our methods, expanding our offerings, and tracking cutting-edge developments.

About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry and are hard-earned awards, as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
