

Canon imageRUNNER ADVANCE C355iF

**Outstanding Color Multifunction Printer
for Large Workgroups**

The Canon imageRUNNER ADVANCE C355iF, chosen by BLI analysts as the winner of a Summer 2017 Pick award for “Outstanding Color Multifunction Printer for Large Workgroups,” offers...

- An exceptional value with impressive performance and functionality for a low total cost of ownership.
- Outstanding ease of use thanks to a highly intuitive, smartphone-style interface and well-designed, feature-rich print drivers.
- Exceptional, high-quality output in print and copy, color and monochrome modes.
- Flexible mobile and cloud options for convenient on-the-go printing and scanning.
- Fast speeds in every mode tested.

“A great choice for environments that need a full-featured MFP but don’t need support for ledger paper, the Canon imageRUNNER ADVANCE C355iF stands out from the competition in nearly every area,” said Marlene Orr, Director of Printer/MFP Analysis for Keypoint Intelligence - Buyers Lab. “For a low total cost of ownership, users get a 10.1-inch smartphone-style touchscreen interface, which greatly simplifies programming jobs, a wide range of mobile options the device supports, and Canon’s MEAP platform that enables integration with a variety of time- and money-saving software. And the Canon PRINT Business app lets users easily access cloud services such as Dropbox, Google Drive, and iCloud to simplify collaboration across teams.”

“Whether in print, copy, color, or monochrome mode, users can count on the Canon imageRUNNER ADVANCE C355iF for impressive, top-quality output,” said Tony Maceri, Senior Test Technician for Keypoint Intelligence - Buyers Lab. “And the unit’s perfect reliability, simple maintenance, and impressive speeds, particularly in scan mode, mean workers can be more productive. But going beyond speed, the Quick Menu at the panel lets users save up to 60 programs for commonly run jobs, which is a real time saver that boosts productivity even further.”

About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
