

Canon imageRUNNER ADVANCE C7580i

Outstanding 70- to 80-ppm Color Copier MFP

The Canon imageRUNNER ADVANCE C7580i, chosen by BLI analysts as the winner of a Summer 2017 Pick award for “Outstanding 70- to 80-ppm Color Copier MFP,” offers...

- Maximum uptime thanks to exceptional reliability, simple component replacement, and long-life supplies
- Outstanding usability
- High quality color output for marketing materials
- Fast speeds to boost productivity

“The Canon imageRUNNER ADVANCE C7580i’s excellent reliability, high-capacity consumables, and simple replacement procedures promise to maximize uptime,” said Joe Ellerman, U.S. Manager of Lab Operations for Keypoint Intelligence - Buyers Lab. “The quality of printed and copied output is also very impressive and will easily meet the needs of more marketing-heavy environments. On top of that, the device’s fast speeds when printing, scanning, and copying promise to keep workers productive throughout the day.”

“The device is loaded with convenience- and productivity-enhancing features, including highly intuitive drivers and a control panel customization tool that allows users to personalize the UI to their preference,” said George Mikolay, Associate Director of A3/Production for Keypoint Intelligence - Buyers Lab. “And with the now standard Universal Login Manager (ULM), businesses can protect sensitive information from unauthorized personnel and facilitate an advanced level of customization for displays, settings, and functions for users.”

About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
