

Large Format Specialty Print Media

24lb Premium Coated Bond Paper,

This premium coated 24lb bond paper is single side coated with the backside having a curl control coating. This paper is ideal for both monochrome and color prints and 3D modeling.

Coated Papers/CAD/GIS

Blue prints, maps, schedules and sketches are ideally rendered with Canon large format printers. These media are ideal for engineers and architects as well as CAD and GIS applications. For everyday use and draft printing, imagePROGRAF has a wide variety of durable, inexpensive coated paper.

imagePROGRAF media goes through rigorous testing to ensure compatibility with Canon Large Format Printers in order to provide the best image quality.

Applications

- Color Line drawings
- CAD Drawings
- Architect Drawings
- GIS Applications
- Engineering Drawings
- Gray Scale drawings
