Adhesive Matte Vinyl, 290gsm

This white, self-adhesive matte vinyl has a permanent, solvent-based adhesive with siliconized kraft liner that will help prevent your images from chipping or cracking. It is ideal for advertising signage in stadiums, construction signage and point-of-purchase (POP) for retail graphics, gift shops and positional or removable applications for up to three (3) months.

Canon Sign/Banner/Display Media
Eye-catching signs, bulletins, and announcements are easy to create with Canon large format printers. To suit many applications, our sign and banner media are tear resistant and offer a variety of special features, such as adhesive backing and vinyl coating.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.
