

Large-Format Specialty Print Media

Back Print Backlit Film, 165gsm

This reverse print/mirror image media has been antistatic treated for backlit applications. Its polyester material makes it strong and rigid. It is coated to deliver complex graphics or photos with high contrast at a quick drying time, giving you brilliant, long lasting images in illuminating poster displays for menus, vending machines and movie theaters.

Canon Sign/Banner/Display Media

Eye-catching signs, bulletins, and announcements are easy to create with Canon large format printers. To suit many applications, our sign and banner media are tear resistant and offer a variety of special features, such as adhesive backing and vinyl coating.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.
