

# Large-Format Specialty Print Media

## Fine Art Enhanced Velvet, 225gsm

This acid free, 100% cotton cut sheet paper\* can achieve crisp and vibrant images, while still retaining the subtleties and beauty of an authentic artist paper. The surface of the paper becomes an inherent part of the finished print, without overwhelming the image, but adding the fine art element to the composition.

### Canon Fine Art Media

Special art work deserves special media. Paintings and digital art superbly reproduce on Canon Fine Art Media. Available in canvas, velvet, photo rag and water resistant styles, Canon Media meet every fine art printing challenge.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

\*Not Available as Roll Media at 225GSM.  
Roll Media Available for 255GSM Paper.

## Applications
