

# Large-Format Specialty Print Media

## Heavyweight Coated Paper, HG, 145gsm

Heavyweight Coated Paper HG has a matte surface that offers fast dry time, no glare and provides pleasing color saturation. Its thickness will resist bleed through and cockle under heavy ink loads. Ideal for check prints, presentations, microfilming, pen plotting and imposition proofs.

### Coated Papers/CAD/GIS

Blue prints, maps, schedules and sketches are ideally rendered with Canon large format printers. These media are ideal for engineers and architects as well as CAD and GIS applications. For everyday use and draft printing, Canon has a wide variety of durable, inexpensive coated paper.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

## Applications

- Check Prints
- Posters/Presentations
- Microfilming
- Pen Plotting
- Imposition Proofs
- POP/POS Displays
- CAD/AEC/GIS Applications

### THE RIGHT MEDIA FOR THE JOB

Whether you're drafting designs or producing point-of-purchase displays, signage, fine art and photo reproductions, Canon has the right large-format media to satisfy virtually every market.
