Large-Format Specialty Print Media

Matte Coated Paper, 90gsm

Matte Coated Paper has a high quality, good density, matte coating. It can print in very high resolution and perform well with graphics and signage. This 90gsm paper may be used for graphic applications.

Coated Papers/CAD/GIS
Blue prints, maps, schedules and sketches are ideally rendered with Canon large format printers. These media are ideal for engineers and architects as well as CAD and GIS applications. For everyday use and draft printing, Canon has a wide variety of durable, inexpensive coated paper.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

Applications
- Monochrome scale drawings
- Gray Scale drawings
- Posters/Presentations
- POP/POS Signage
- CAD/AEC/GIS Applications

THE RIGHT MEDIA FOR THE JOB
Whether you're drafting designs or producing point-of-purchase displays, signage, fine art and photo reproductions, Canon has the right large-format media to satisfy virtually every market.
