

Large-Format Specialty Print Media

Photo Paper Pro Platinum, 300gsm

The Photo Paper Pro Platinum media is a glossy paper designed for top photographers looking to capture the subtle textures of an image in each print. This paper offers extraordinary color performance with vivid colors and firm blacks.

Canon Photo/Glossy Papers

High-end photography and portraits demand excellent photographic paper, and Canon offers a wide variety to meet virtually every printing need. Accurate clear reproduction of digital images is a breeze with Canon photographic and glossy media options.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

Applications

- Photography
- POS signage
- Graphic Art Reproduction
- Desktop publishing
- Printing digital, scanned or CD images
- Posters

THE RIGHT MEDIA FOR THE JOB

Whether you're drafting designs or producing point-of-purchase displays, signage, fine art and photo reproductions, Canon has the right large-format media to satisfy virtually every market.
