Large-Format Specialty Print Media

Photo Paper Pro Premium Matte, 210gsm

With a smooth surface and a natural whiteness, the Photo Paper Pro Premium Matte is ideal for black and white images due to its ability to capture fine details and gradations.

Canon Fine Art Media

Special art work deserves special media. Paintings and digital art superbly reproduce on Canon Fine Art Media. Available in canvas, velvet, photo rag and water resistant styles, Canon Media meet every fine art printing challenge.

Applications

- Fine Art Reproductions
- Museum Exhibitions
- Wedding Pictures
- Portraits
- Framed Art
- Artist Portfolios
- Monochrome and Sepia Prints
- High Quality Photographic Prints

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

THE RIGHT MEDIA FOR THE JOB

Whether you’re drafting designs or producing point-of-purchase displays, signage, fine art and photo reproductions, Canon has the right large-format media to satisfy virtually every market.
