

# Large-Format Specialty Print Media

## Water Resistant Adhesive Matte Vinyl, 330gsm

The vinyl based Water Resistant Adhesive Matte Vinyl is ideal for form-fitting applications of posters, POP displays, and stickers on uneven or curved surfaces that may include depressions. The adhesive allows for easy removal of bubbles or air and the gray adhesive layer makes reapplying the paper effortless. With a resistance to peeling and fading, this media keeps its robust colors over time regardless of weather conditions and can last up to six (6) months outdoors\*.

### Canon Sign/Banner/Display Media

Eye-catching signs, bulletins, and announcements are easy to create with Canon large format printers. To suit many applications, our sign and banner media are tear resistant and offer a variety of special features, such as adhesive backing and vinyl coating.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

### Applications

- Short term outdoor signage
- School fundraisers
- Posters
- Event signage
- Outdoor direction signage
- Retail promotions
- Point of purchase signage

### THE RIGHT MEDIA FOR THE JOB

Whether you're drafting designs or producing point-of-purchase displays, signage, fine art and photo reproductions, Canon has the right large-format media to satisfy virtually every market.
