MOBILE PRINTING APPLICATION

Keeping pace with today's demanding workplace is challenging. People are always searching for ways to work smarter. The Canon Mobile Printing app now puts the power of compatible Canon devices at the fingertips of Android™ device users.*

Canon Mobile Printing** is a free app that provides Android device users with the ability to directly print to their compatible Canon imageCLASS, imageRUNNER and imageRUNNER ADVANCE multifunction devices, as well as imageRUNNER LBP devices over a wireless network.** The Canon Mobile Printing app is available from Google Play™ or at play.google.com. Search for "Canon Mobile Printing."

The Canon Mobile Printing app provides convenient printing of PDFs ▲, Web pages, and image files. The streamlined user interface is easy to navigate and provides users with a simple yet powerful mobile print application. The app also offers users access to a breadth of finishing features, making it robust for use both at work or home.

* See list of Supported Devices on back page.

** Canon Mobile Printing app is offered by Canon Inc., the parent company of Canon U.S.A., Inc.

- [†] Supports PDF printing.
- [‡] These models have been discontinued, but they are still compatible with the app.
- Supported printing functions differ between printers, so print data may be output without the print settings selected in the app depending on the printer model you are using.
- ° The Direct Print Kit or PS Printer Kit is required on all imageRUNNER ADVANCE, Color imageRUNNER MFPs, and most black-and-white imageRUNNER MFPs. Select black-and-white imageRUNNER MFPs can only utilize the PS Printer Kit; these have been noted accordingly.
- Color imageRUNNER ADVANCE and Color imageRUNNER MFPs will require the additional purchase of the additional memory type D (512MB) and additional memory type B (512MB), respectively. Data charges may also apply. Your Android device must be connected to a wireless LAN access point. Your multifunction printer or printer and the access point must be connected by LAN or wireless LAN.
- △ PDF printing not supported.
- ‡ Requires PS Printer Kit. Direct Print Kit cannot be used for Canon Mobile Printing.
- Color imageRUNNER LBP5460, Color imageRUNNER ADVANCE LBP5975, and Color imageRUNNER ADVANCE 5970 require the Hard Disk Kit HD-98B, PS-ROM A-98C, and Expansion RAM ER-128, ER-256, or ER-512 for PDF printing.
- ▲ Not all imageCLASS and select black-and-white imageRUNNER MFPs support PDF files. To see which models support PDF printing, please refer to the list of supported devices. PDF Direct Print must be available on the imageCLASS device for PDF printing through this application.
