---

1. Wireless printing requires a working network with wireless 802.11b/g or n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.
2. Envelopes and High Resolution Paper are NOT supported for borderless printing.
3. Resolution may vary based on printer driver setting. Color ink droplets can be placed with a horizontal pitch of 1/9600 inch at minimum.
4. To install using Windows® OS, .NET Framework 4 is required. Compatible still image formats are PDF (created using Canon PDF Creator only), JPEG (EXIF), TIFF, and PNG. Compatible video formats are MOV (from select Canon digital cameras only) and MP4 (from select Canon digital camcorders only).
5. AirPrint functionality requires an iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 4.2 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
6. Works only by using this application cannot be displayed, edited, or printed without this application. Compatible with Android devices of 3 inches or more using Chrome (latest version compatible with your current version of Android). iOS Devices of 7 inches or more using Safari 5.1 or later, Windows PC (excluding RT) using Internet Explorer 10 or later of Microsoft Internet Explorer 9 or later, Mozilla Firefox 31 or later, or Google Chrome version 36 or later, and with Mac OS X 10.9 or later using Safari 5.1 or later.
7. "Full HD Movie Print" is available from "MOV" and "MP4" movie files created by select Canon EOS Digital SLRs, PowerShot, and VIXIA digital cameras and camcorders. Requires PC or Mac with Intel®, macOS, ImageBrowser EX 6.5 or later or Canon ImageBrowser EL 1.0 or later. Print quality is determined by the video resolution. Function does not upscale video resolution.
8. Restrictions apply.
9. Requires an Internet connection and the MAXIFY/PIXMA Printing Solutions ("PPS") app, available for free on the App Store and at 1-800-OK-CANON. Compatible with iPad, iPhone 5S or later, and iPod touch 6th generation or later device running iOS 8.1 or later, and Android mobile devices running Android 2.3 or later. User must register printer with PPS and be a registered member of the compatible PIXMA printer on the same wireless network. Printing with Mopria is also available on mobile devices running Android 5.0 or later with the Mopria Print Service pre-loaded with that device and Android mobile devices running Android 2.3 or later. User must register your device to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
10. PMM print speeds are based on the highest speed printer driver mode using black and white text and color text patterns. Photo print speeds are based on the standard mode driver setting using photo test pattern(s) and select Canon Photo Paper. Print speed measured as soon as first page begins to feed into printer and will vary depending on system configuration, interface, software, document complexity, print mode, types of paper used, and page coverage. See [www.usa.canon.com/printer speeds](http://www.usa.canon.com/printer speeds) for additional information.
11. DPS over IP compatible device required.
12. Operation can only be guaranteed on a PC with factory-installed Windows 8.1, Windows 8, Windows 7, Windows Vista or Windows XP.
13. Internet connection required during software installation.
14. Easy-WebPrint EX requires Internet Explorer 7 or 8 for Windows, Internet Explorer 9 or 10 for Windows Vista SP2 (or later) or Windows 7, or Safari 4.0.2–5.0.6 for Mac OS X 10.5.5–10.8.x.
15. Warranty programs are subject to certain conditions and restrictions. See [www.usa.canon.com/support](http://www.usa.canon.com/support) for details.
16. Requires Android® mobile device with Android 5.0 operating system or later with the Mopria Print Service pre-loaded with that device and the compatible PIXMA printer on the same wireless network. Printing with Mopria is also available on mobile devices with Android 5.0 or later with a download of the Mopria Print Service from Google Play.
