SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL VIEWSCREEN AND PRINTER OUTPUT IMAGES ARE SIMULATED.

1 Requires an Internet connection and the Canon PRINT Inkjet/SELPHY app, available for free on the App Store and at Google Play. Compatible with iPad, iPhone 3GS or later, and iPod touch 3rd generation or later devices running iOS 7.0 or later, and Android mobile devices running Android 2.3.3 or later. Your device must be connected to the same working network with wireless 802.11 b/g/n capability as your printer. For users of compatible Apple mobile devices, document printing requires Apple AirPrint, which requires an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.

2 AirPrint functionality requires an iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 4.2 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.

3 Requires an Internet connection and Google account. Subject to Google Terms of Service. Certain exceptions may apply.

4 Duty Cycle is defined as the maximum number of printed pages for a single peak month.

5 Wireless printing requires a working network with wireless 802.11b/g or n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.

6 ISO/IEC 24734, 24735 define the default print and copy speed measurement methods. Print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734, excluding time to print the first set. Copy speed is the average of FCOT, ISO/IEC 24735 Annex D. ADF copy speed is the average of ESAT in General Performance Test for the default simplex mode, ISO/IEC 24735, excluding time to copy the first set. Once the ink levels on the printer reach low ink status the print speed will be reduced. See www.usa.canon.com/ipm for additional details.

7 Resolution may vary based on printer driver setting. Color ink droplets can be placed with a horizontal pitch of 1/600 inch at minimum.

8 Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard.

9 The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.

10 Black & white document fax transmission speed is based on default setting using ITU-T No.1 chart. Color document fax transmission speed is based on default setting using Canon Color Fax Test Sheet. Actual transmission speed varies depending on document complexity, fax setting at receiving end, and line conditions, etc.

11 Page count is based on ITU-T No.1 chart or Canon FAX Standard Chart No.1.

12 Requires Canon Easy-PhotoPrint for Windows RT, available for free in the Windows Store. Compatible with Windows RT devices.

13 Operation can only be guaranteed on a PC with factory-installed Windows 8.1, Windows 8, Windows 7, Windows Vista or XP.

14 Internet connection required during software installation.

15 Easy-WebPrint EX requires Internet Explorer 7 or 8 for Windows, Internet Explorer 9 or 10 for Windows Vista SP2 (or later) or Windows 7, or Safari 4.0 – 5.0 for Mac OS X v10.5.8 – 10.6.x.

16 Available from printer driver and fax driver only. XPS drive is not supported for Windows Server 2003 and 2003 R2.

17 Requires a Windows RT compatible device and the Canon Easy-PhotoPrint app for Windows RT available for free in the Windows Store.

18 Warranty programs are subject to certain conditions and restrictions. See www.usa.canon.com/support for details.
